Answer

MINISTER OF STATE IN THE MINISTRY OF RAILWAYS

(SHRI RAJEN GOHAIN)

(a) No, Madam.

(b) Does not arise.

(c) Setting up of Rail Coach Factory at Palakkad has been sanctioned under Public Private Partnership (PPP). Land for the project has been purchased by Railways from Govt. of Kerala. Tendering process for this factory has failed once on account of receiving no bidders at Request for Qualification (RFQ) stage. In the meantime, additional capacity has been created at in-house production units of Indian Railways. Thus, existing coach manufacturing capacity is being reviewed vis a vis the projected level of coach requirement over next 10 years.

(d) No, Madam.
